

Certificate of Approval

This is to certify that the Management System of:

SP Power Systems Limited

Trading as: SP Energy Networks (SPEN)
320 St Vincent Street, Glasgow, G2 5AD, United Kingdom

has been approved by LRQA to the following standards:

ISO 55001:2014

Approval number(s): ISO 55001 – 00033863

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

Asset and Operational Management of the Transmission & Distribution Networks Assets in Licenced areas of Central and Southern Scotland, North Wales, Merseyside, Cheshire and North Shropshire. Including: Lifecycle management of the assets (planning, design, procurement, installation and commissioning) Construction (new build and refurbishment), Operation, Maintenance, Repair, Commercial Connections; Decommissioning and disposal of power system assets in line with Regulatory requirements.

This certificate is a continuation of a previous approval from another certification body as follows:

Previous original ISO 55001 approval on 09-AUG-2018, Bureau Veritas certificate number IND18.1098

David Derrick

Area Operations Manager UK & Ireland

Issued by: LRQA Limited
